Island Pacific Congratulates Customers on Being Named a Top Competitive Retailer

-Seven Island Pacific Customers Named to List -

Irvine, CA, May 5, 2009 -- Island Pacific Systems, Inc. (Island Pacific), a 100% owned subsidiary of 3Q Holdings Limited (ASX: TQH) congratulates the seven Island Pacific retail customers who were recently mentioned in The Top 20 Most Competitive Retailers list compiled by Wall Street analyst firm wRatings.

wRatings in partnership with RIS (www.risnews.com) evaluated more than 1,200 companies to compile the annual Top 20 Most Competitive Retailers list and released the information to RIS. Each retailer is ranked with a W Score on a scale of 100. A W score of 100 means the retailer built the highest consumer and economic advantages compared to other companies evaluated in the study.

According to wRatings, competitive companies in the first quarter of 2009 are on track to emerge from the recession with greater customer and economic strength than their rivals. Winning retailers are succeeding based on their access to real-time data and ability to transform their business faster than before.

Ranked #2 with a 91.6 rating was Jos. A Bank, a menswear retailer with over 450 stores. Jos. A Bank has been an Island Pacific customer for over 15 years. Additional long time Island Pacific customers on the list include Aeropostale (No. 3), Timberland (No. 5), Victoria's Secret (No. 12), Limited Too (No. 13), and Urban Outfitters (No. 19).

"Island Pacific is proud to be associated with seven of the twenty retailers listed in The Top 20 Most Competitive Retailers list compiled by wRatings." said Richard Gaetano, Chief Operating Officer of Island Pacific. "The need for speed, flexibility, and innovation is a critical challenge for retailers today, and Island Pacific is pleased to be an integral part of the solution."
