

FOR IMMEDIATE RELEASE

Island Pacific Rated as a Top 10 Software Vendor

—Island Pacific places in Top 10 in seven categories—

Irvine, CA – January 5, 2010 - Island Pacific Systems, Inc. (Island Pacific), a 100% owned subsidiary of 3Q Holdings Limited (ASX: TQH) announced today that it was placed in the Top 10 in seven customer satisfaction categories in the recently released RIS News Software LeaderBoard. RIS News is a leading provider of media coverage of retail technology in North America.

The RIS News Software LeaderBoard is an annual survey of retail executives in North America in which they are asked to rate 99 software vendors. The RIS News Software LeaderBoard is the only industry award where retailers get to rate all their vendors on a head-to-head basis. RIS News Software LeaderBoard methodology included the use of an independent, third-party research firm to aggregate retailer evaluations and to reach out to both vendor references and non-references alike. The LeaderBoard is not focused exclusively on performance of technology but on customer satisfaction and meeting expectations.

Island Pacific highlights in the 2009 RIS News Software LeaderBoard include

- Top 10 Leader in ROI (Return on Investment)
- Top 10 Leader in Targeted Solutions
- Top 10 Leader in Overall Performance by Tier One and Mid-Size Retailers
- Top 10 Leader in TCO (Total Cost of Ownership) by Tier One and Mid-Size Retailers
- Top 10 Leader in ROI by Tier One and Mid-Size Retailers
- Top 10 Leader in Quality of Support by Tier One and Mid-Size Retailers
- Top 10 Leader in Quality of Service by Tier One and Mid-Size Retailers

Mike Dotson, Vice President of Global Sales, said “Our showing in the 2009 RIS News Software LeaderBoard further validates our approach to our business, especially with our target market. That is, to provide a solution that meets a retailers technology needs, is easy to implement, has a low cost of ownership and results in a rapid return on investment. Our solution is a result of our long term relationship with our customers.”

Island Pacific continues to develop and deploy high value and innovative software solutions that enable retailers to manage the entire scope of their operations and to understand, create, manage and fulfill consumer demand. These operations include point-of-sale, customer relationship management, vendor relationship management, merchandising, demand forecasting, planning, replenishment, allocation, and event planning.

To see these solutions, visit Island Pacific at the National Retail Federation (NRF) 99th Annual Convention and Expo at Jacob Javits Convention Center in New York City, January 11-12, 2010 in Booth #2343.
