

FOR IMMEDIATE RELEASE

Island Pacific Joins HP Point-of-Sale Solution Ready Program

Irvine, CA June 9, 2009 – Island Pacific Systems, Inc. (Island Pacific), a 100% owned subsidiary of 3Q Holdings Limited (ASX: TQH) announced that it has become one of the first members of the HP Point-of-Sale (POS) Solution Ready Program, making it easy for retailers to purchase a point of sale system with confidence that it has been vendor-tested for smooth integration and ease of use.

Through the HP POS Solution Ready Program, Island Pacific Store has been validated on HP POS systems using a verification testing process that ensures the application will operate properly with HP POS systems. Verified applications are marked with HP's Point-of-Sale Solution Ready insignia, making it easier for retailers to choose a trusted technology solution.

“At Island Pacific we are firmly committed to continually improving the means for which retailers can purchase and use trusted POS solutions that will help them do business better and improve levels of customer service,” said Mike Dotson, VP of Global Sales of Island Pacific. “By gaining accreditation through HP's POS Solution Ready Program, we are simplifying the process of building and deploying a full POS solution, so that our customers can easily create a solid transactional platform that can be up and running in a short amount of time.”

In addition, the program is designed to help select software providers such as Island Pacific, gain worldwide exposure to HP's broad network of retail customers, sales channel and engineering expertise.

“HP retail solutions offer customers of any size the opportunity to utilize the industry's most secure, reliable and durable POS systems that can be easily tailored to manage multiple aspects of a retailer's operations,” said Tate Davis, Manager, POS Product Marketing of HP. “By creating the HP POS Solution Ready Program, HP is extending the capabilities of its POS platforms to provide software vendors the tools they need to create a trusted technology offering that can help retailers increase business efficiencies, while offering a means for improving what matters most– customer service.”

Island Pacific Store offers retailers a feature rich POS and store operations solution, with the specialty retailer in mind. Island Pacific Store is designed to be customizable, scalable, multi-currency capable and PCI compliant. As a result of being verified for HP's POS Solution Ready Program, Island Pacific will be listed on www.hp.com/go/pos as a trusted HP software partner and will be authorized to use the HP Point of Sale Solution Ready insignia.

Island Pacific will receive negotiated partner rates on third-party services and support such as technical support to help retailers seamlessly integrate their new POS solutions into existing technology platforms.
