

3Q Holdings selected as 25th fastest growing technology company in Asia Pacific as part of the 2006 Deloitte Technology Asia Pacific Fast 500 program

The Board of 3Q Holdings Limited (ASX: TQH) is delighted to advise shareholders that the Company has followed up its Australian Deloitte Fast 50 award as the eighth fastest growing technology company in Australia with selection as the 25th fastest growing technology company in Asia Pacific as measured by the Deloitte Asia Pacific Fast 500 program. The Company was selected at the awards luncheon held on December 12 2006, in Hong Kong.

Commenting on the Asia Pacific award, TQH Executive Chairman Shaun Rosen said, “We are delighted to have been selected as a Technology Fast 50 and Fast 500 winner, both in Australia and in the larger Asia Pacific field. TQH continues to focus on Asia Pacific as a key growth market and has recently won new business there. There is no doubt that success in our own country leads to broader regional recognition and this Fast 500 award from Deloitte also demonstrates this.”

Any questions relating to this announcement should be directed to Alan Treisman (02) 9389 3555

About Deloitte Technology Fast 500:
