### **3Q Holdings wins back Marcs and Morrisey**

The Board of 3Q Holdings Limited (ASX: TQH) is pleased to announce that M Webster Holdings Pty Ltd has made a decision to invest in the dolFIN and dPOSit software suite for their newly acquired Marcs and Morrisey chains.

M Webster Holdings Pty Ltd recently purchased Marcs and Morrisey from the Oroton Group and already operates the Jigsaw and David Lawrence brands, both users of TQH software.

The TQH dolFIN package will be used at the Marcs and Morrisey Head Office and the dPOSit software will operate in 39 lanes across the two brands.

Commenting on the sale, TQH Executive Chairman Shaun Rosen said, “We are delighted to have Marcs and Morrisey back as customers. They are both market leading brands and under the guidance of M Webster Holdings we are confident they will continue to grow their presence around the country.”

M Webster Holdings Pty Ltd CFO Eitan Madar added, “We have had a long term relationship with the SVI team and look forward to building on our already successful relationship.”
